### Dr. Graves, Dr. Adie, Bishop Turner, And Rev. Matthias Faust Get Honorary Degrees.

This morning at ten o'clock, 90 students of the Arts, Science, and Business Schools received their degrees from the Alma Mater. The Right Reverend Bishop Turner of Buffalo presided at the exercises and presented the graduates with their diplomas and the numerous award winners with their prizes and medals.

The exercises proper started at 9:30 when the graduates paraded, with the Nicholas Devereux Band, to the flag pole where the traditional and beautiful ceremony of the flag-raising was observed. After the band had played the Star-Spangled Banner and the Alma Mater the procession proceeded to the gaily decorated gymnasium for the rest of the program. After the graduates and the guests were seated the college band offered the selection, Victor Herbert's favorites.

Next Mr. John Downes of Syracuse, N. Y. who was the Class Salutatorian welcomed the guests to the exercises and talked on learning and application while in college. He stated definite examples of what study and learning can do and depicted places and customs that do not foster the birth and the growth of this necessity.
