UNITED WELCOMES NEW STAFF MEMBER

United announces the addition of Ed Downes as its Manager of Program Services. Downes has worked in the Washington, D.C. area since 1983 for the House of Representatives' legislative and administrative offices; for the president of the University of Maryland at Baltimore, organizing grant requests and community outreach programs; on numerous marketing and promotional campaigns throughout the nation's capital as a marketing representative and event coordinator; and, most recently, as an organizer for the national "Children's Presidential Campaign" during the 1988 presidential primaries.

Ed Downes

Downes is coordinating on-going promotional and fund-raising programs for the Fresh Approach and will help maintain systems designed to reach potential new membership. He also works with staff directors in such areas as information services and communications.

He holds a Bachelor of Arts degree in English from St. Bonaventure University, and a Master of Public Administration degree from George Mason University.

School's a gem

We have a jewel of a grade school in our midst. Our Lady of Solace, a school completely integrated by religion and race, has been doing an outstanding job. For instance, out of an 8th grade graduating class of 20, six have this year received regents scholarships in high school.
