

H. Renwic Peet Is Named Head of Junior Red Cross

APPOINTMENT of H. Renwic Peet as chairman of Junior Red Cross, Syracuse and Onondaga County chapter, was announced today by Mrs. Violet A. Wiser, chapter executive secretary.

Peet, principal of Grant Junior High School, succeeds Leon H. Coon, who died in August after serving more than 10 years as chairman.

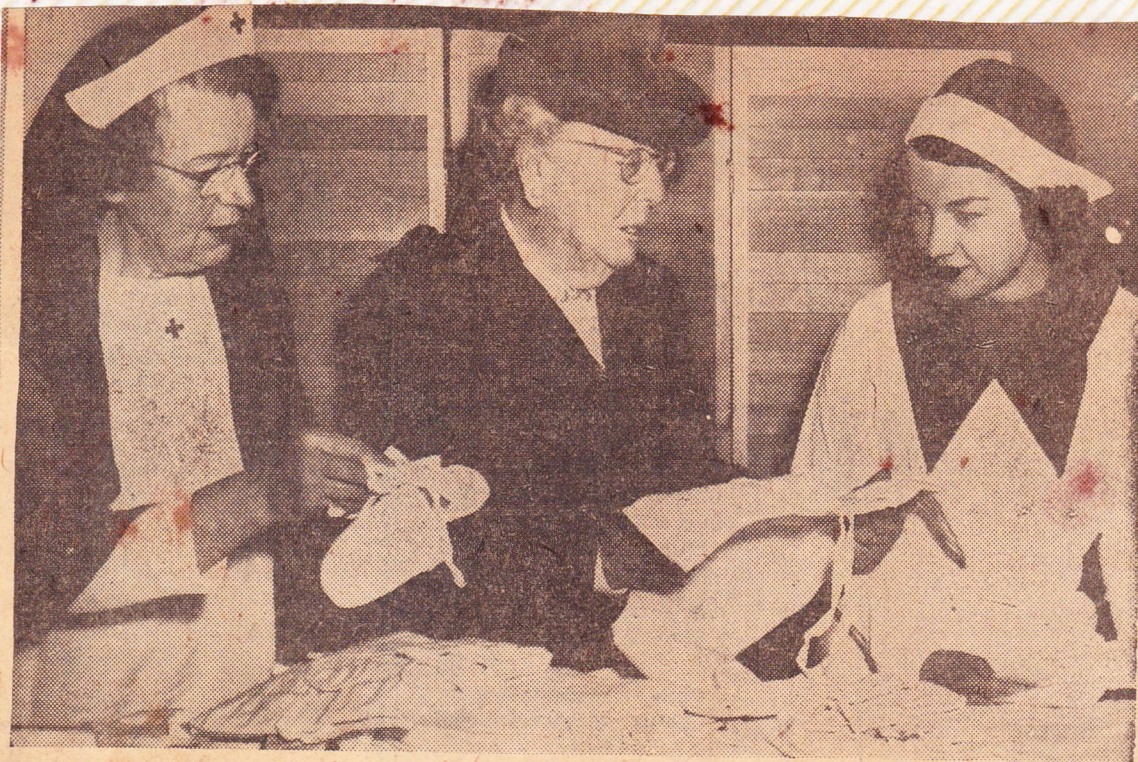

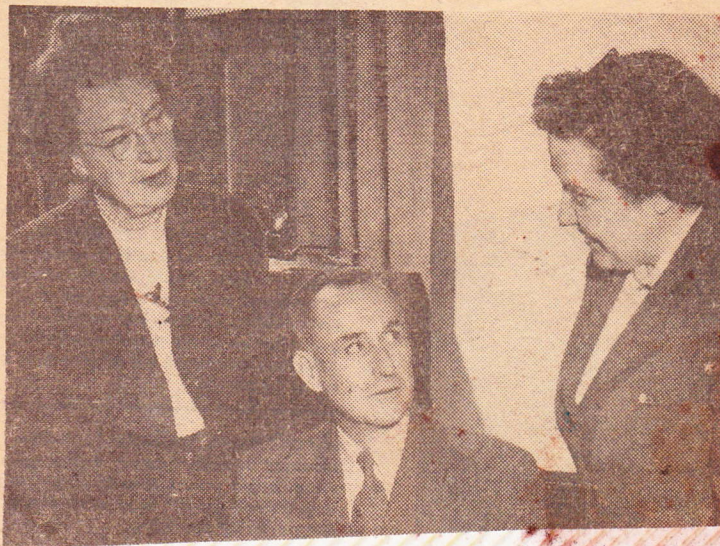

The new chairman has a background of JRC experience, having worked with the junior organization at Prescott School, where he

was formerly principal, Grant Junior High.

The annual Junior Red Cross enrollment drive for members in the schools will be launched Nov. 1. The local Red Cross chapter is hopeful of again obtaining a 100 per cent membership quota by enrolling the more than 50,000 students throughout the city and county. The 100 per cent mark has been reached three times in the last four years.

Plans for the enrollment drive are being made by Peet and Miss Alice MacBride, chapter director of Junior Red Cross.
