

(The following is a letter prepared in the past by Dr. Chamberlain to be sent to you.)

**Allan B. Chamberlain, Ph.D.
112 East Bridge Street
Oswego, New York 13126**

Due to unforeseen and unexpected circumstances, I am unable to continue my clinical psychology practice.

I know it is difficult to change-horses-in-midstream, but be assured, this is not a planned situation. However, the following professionals, in no particular order, I know either personally or by reputation. I believe they are very competent to help you achieve any of your remaining goals:

- **Scott P. Mooney, Ph.D., 112 E. Bridge St., Oswego, NY 13126;
315-342-5941 or 315-343-8162**
- **John Ruskowski, Ph.D. , 83 Jackim Rd., Oswego, NY 13126;
315-343-2054**
- **Deborah Sobell, MSW, 12 W. Genesee St., Baldwinsville, NY 13027;
315-638-0988**
- **Richard Prussin, MSW, 12 W. Genesee St., Baldwinsville, NY 13027;
315-638-0988**
- **Linda S. Gump, Ph.D., Oswego, NY 13126; 315-342-2558**
- **Jacqueline Lilly, Ph.D., 180 E. 10 St., Oswego, NY 13126;
315-342-2450**

Sorry for the short notice. Good luck in connecting with someone who you will like and who will turn out to be helpful.
